

EMC Disclaimer

Please review this proof in Acrobat with any other persons authorized to approve it for production. If you need to make changes use the Acrobat tools provided to indicate any revisions desired. Send any changes, corrections or your approval using the approval stamp by clicking "Send Comments" to return your marked-up proof to your contact person. Once the product is approved and produced, any changes or corrections needed will incur an additional charge to the requester.

Note: This proof is for position only. Colors vary from monitor to monitor as well as in different lighting environments. If colors are critical, a press proof can be produced upon request for an additional fee. Please check for spelling and typographical errors, imagery placement, size and specs of product. Proofing is the sole responsibility of the requester.
